

Get to Know Our Mobile App!

Easy Access to School Info

WSD families can access the most commonly used school information & customized news via our FREE mobile app. Better yet, the mobile app allows users to set their preferences to receive calendars, lunch menus, news and resources for the Wissahickon schools of their choice!

Search Wissahickon School District in the App Store on your Apple, Android or Windows device and download the app TODAY!

Mobile App Features

When you first download the app, it will prompt you to choose your settings. Select the schools you want information from & allow Push Notifications if you would like automatic reminders. All users receive district news and events.
