WISSAHICKON HIGH SCHOOL
STUDENT PARKING PRIVILEGE PERMIT FORM

Student parking hangtags are \$50 and can be purchased in the Administrative Suite or online in the school store section of myschoolbucks.com. Students must pick up their permits from Mrs. Vasconez in the Administrative Suite.

You must have the following information at time of registration: * Driver's license * Copy of your current (unexpired) vehicle registration *Copy of your current (unexpired) vehicle insurance

Hangtags will not be sold to students with a driving permit. Obligations must be cleared prior to purchase. Payment for obligations must be separate from the parking permit payment.

Students must understand that parking on school grounds is a privilege, not a right. Administration may suspend this privilege if a student is not using his/her vehicle responsibly. Failure to follow parking/driving regulations may result in after school detention, other school discipline, or loss of parking privileges.

Students may only park in the Dager road parking lot. The natatorium/stadium, Lower Gwynedd Elementary and upper lots are STAFF ONLY PARKING between 7 AM and 3 PM. WHS tickets will be issued to vehicles parked illegally. This includes vehicles parked on tiger stripes, outside of parking spaces, in a staff parking space, in a spot that does not correspond with their hang tag, and for vehicles without a hangtag. Vehicles parked on school property illegally or without authorization are subject to a \$10 fine. Fees increase with each infraction. A third parking offense will result in the loss of parking privilege for the remainder of the school year. The driver may also be subject to additional disciplinary action.

Students may not go to their vehicles during the school day without a security escort and permission from an administrator. If the student leaves the building without permission for any reason (i.e. going to car to retrieve something without an escort, going out for lunch, etc.), the students parking pass will be revoked for an undetermined amount of time. If this occurs multiple times, the student's parking pass will be revoked for the duration of the school year.
